PART II: Research, Teaching, and Clinical Contributions

A. Narrative Report: N.A.

B. Outside Funding -- N.A.

C. Report of Current Research Activities:

- 1996-1999 Principal Investigator, Deaconess Hospital Site, Risk Management Foundation sponsored Ambulatory Medicine Quality Improvement Projects:
- I. Evaluation of Breast Complaints and Follow-up of Abnormal Mammograms.
 - II. Cross-sectional Study of Preventative Services and Target Conditions—Asthma and Diabetes Mellitus.

D. Report of Teaching:

1. Local contributions

a. Harvard Medical School:

- 1988-1994 Preceptor for Introduction to Clinical Medicine for four 2nd-year HMS medical students, teaching history and physical exam. 20 hours/year, 4 students.
- 1990-1999 Presentation of model history taking annually to HMS II class – 2 hour/year. 40 students.
- 1990-1992 Preceptor for Patient-Doctor I, 4 hours/week through academic year. 150 hours/year. 6 students.
- 1992 Demonstration of history taking for Life Cycle Course. 2 hours. 90 students attending.
- 1993-1995 Case Conferences, General Internal Medicine, Presented a challenging monthly case conference to the medical residents from my own clinical experience. In addition to clinical cases, topics such as “understanding managed care” and “ethical issues around dying” were included. 32 presentations, 32 direct teaching hours, 20 preparation hours. 25 residents in attendance.

b. Graduate medical teaching

- 1988- Attending on Medical Service, one month/year 2 residents, 4 interns, 2 medical students. Daily contact, 10 hours/week. 40 hours/year.
- 1991- Developed teaching case around providing emergency care to an incompetent mentally ill patient. 6 hours preparation time. Presented to 25 residents.
- 1988-1998 Resident Report Conferences. 5 hours/year. Average 15 residents.

c. Local invited teaching presentations

- 2002 "End of Life Care" presentation for HMS I students
- 2002 "End of Life Care" presentation for Arnold Pain Center staff
- 2004 "Providing End of Life Care" Schwartz Rounds, BIDMC

e. Clinical supervisory responsibilities

- 1990-1995 Chief of Medical Service, Massachusetts Mental Health Center
Weekly educational sessions for psychiatric residents on dealing with medical problems in the mentally ill. 5 residents per week, 12 months/year, 50 hours/year.
- 1998-1999 Preceptor for one medical senior resident for his weekly continuity session – 1 hour/week for 40 sessions. 40 hours/year.

f. Teaching leadership role

- 1990-1994 Emergency Medicine, Harvard Medical School fourth year elective, Developed course and served as first course director for Deaconess site. 10 medical students per year, 60 hours/year the first 2 years.

g. Name of advisees or trainees

Significant Impact on Trainee -- Dr. Ronald Garry, precepted in clinic, and have served as mentor.

2. Regional, national or international contributions

a. Presentations

- 1995- Invited Presentation, Argentina National Medical Conference, "Ambulatory Care of the HIV Positive Patient" and "Diagnosis and Treatment of Sarcoidosis".
- 2001- Society of General Internal Medicine Annual Conference, "A Successful Faculty Clinical Incentive Program in a Hospital-Based, Primary Care Teaching Practice", J Heffernan, S O'Neill, K Brown, R Parker, M Aronson, R Phillips, T Delbanco

E. Report of Clinical Activities:

- 1990-1995 As Chief of Medical Service for the Massachusetts Mental Health Center, I provided medical consultation to the in-patient service. I supervised the psychiatric residents in training and a nurse practitioner.
- 1988- I have maintained a medical practice first in Deaconess Medical Associates, and then Healthcare Associates at Atrium Suite. I

currently care for a panel of 600 patients, many with multiple, complex co-morbidities. I routinely follow 1-5 in-patients in the hospital.
